TANGS LIFESCIENCE LLP

Welcome to Tangs Life Science

TANGS LIFESCIENCE is one of the most trusted pharmaceutical manufacturers in India. We are headquartered at TANGS LIFESCIENCE Surat, Gujarat, India. We manufacture the best quality pharmaceutical products along with OTC products, nutraceutical medicines and surgical products. Our medicines come in a variety of segments and dosage forms.

As a pharmaceutical manufacturing company, our eagerness to alleviate the sufferings of mankind is far above our business motives. Through our well-researched and affordable pharma products, our clear vision is to reach out to the masses and make this world a better and healthier place.

Our Quality Program includes:

- Strict process control through in-process checks
- Stability studies
- Pre-shipment inspection and quality assurance are the major factors to deliver the product at its best.
- We re-test all active ingredients [raw-material of the medicine to be manufactured] and ensure that all are as per IP / BP / USP standards. We also re-test / re-check finished products – medicines as per drug rules & regulations, prior to dispatch.
- Testing and inspection is un-compromising at Tangs Life Science along with it's associates companies to ensure the quality of our products.

TANGS LIFESCIENCE LLP

Work with us

We are ready to serve you

- Orders for Pharma Products may be placed via E-mails, Phone and Whatsapp. Our Contact Details are available on 'Contact us' page.
- Depending on the nature and quantity of product requirement, a lead time of 5 to 35 working days is needed to process the order.
- Advance information should be furnished in situations requiring regulatory affairs' help and support.
- After order confirmation – we will send you a detailed invoice including our bank details, product details, quality, quantity, packing, delivery schedule etc.
- After receipt of your payment we will dispatch your goods as per delivery schedule through your preferred transporter / shipping company.
- We care while we dispatch your consignment:
- Our Shipping Boxes are Strong and are well covered in rains. We put clear labels for easy identification and to avoid mishandling.
- We care for the safe delivery of the products but ultimate responsibility lies with the buyer.
- We ensure complete protection before we handover the goods for transport to the concerned service provider.
- In case of Local Business in India, our responsibility ends after we handover the goods to the transporter. But in case of exports, our responsibility ceases after the goods pass through Indian Customs.

Quality Policy

Our group manufacturers, along with us, are committed to provide our products as per IP and international BP/ USP standards. Quality is the most important aspect at Tangs LifeScience. We always keep an eye on process performance through product conformity, corrective actions; follow up actions, innovative and GMP practices to achieve continual progress in total quality of our products and services.

We assure our customers of high quality standard backed by technical support wherever necessary. Our manufacturing facilities are equipped with quality assurance department with dedicated personnel's to check and maintain stringent product specifications matching WHO – GMP International standards.
